Directions from the Natrona County International Airport

Exit the airport and turn left onto US 20-26 E and go for 8 miles, which will take you to the downtown area. Turn Right onto S David Street. Turn left at the 1st intersection, which is a 4 way stop. You are now on W 2nd Street. The Petroleum Building is the tall, 6 story building at the end of the block on the right, so you can park anywhere on this street, as you are within walking distance from the front door.

***If there is nowhere to park, turn right at the light (Center Street) and you will see the Public Parking Garage immediately on your left. You can then walk down to the light you just came through at the corner of 2nd and Center, cross the street, and come in the double glass front doors of the Petroleum Building. The address is 111 W. 2nd Street. The elevator will be right in front of you. Come up to the 6th floor, turn right when exiting the elevator, we are in Suite 608 on the left hand side.*
